EXPLORATION

MEETS THE CITY

The Geological Society

Wed 18th – Thurs 19th October

FINEX '23 is the eighth in a series of biennial conferences, bringing together financiers and explorers from major and junior companies.

Speakers from The World Gold Council, SRK, BHP Xplor, La Mancha Resource Capital, Elemental Altus, Anglesey Mining, SP Angel, Grant Thornton, Wardell Armstrong, RSM and Bluejay Mining are among 22 presentations over two days.

The two-day conference will bring together professionals from across the full value chain of mining and finance.

FINEX is a non-profit event supported by sponsors and organised by members of MinSouth, the Applied Earth Science Division of IoM3, and the Mineral Deposits Study Group of the Geological Society.
